➤ COMPUTER SKILLS

- ★ Microsoft Office
- ★ WondershareFilmoraX and Capcut

➤ WORK EXPERIENCE

I participated in a staff event at Prince of Songkla University, where I assisted with processing exams for future students. This experience gave me valuable insights into the university's admissions process and the types of skills that can help students succeed in the entrance exam.

I previously worked as a private English teacher and a guide/translator.

I used to teach computer skills, helping students learn new programs and applications.
